

ROYAL PRINCE EDWARD YACHT CLUB

CLUB REDEVELOPMENT DONATION

Dear Member,

Further to the email sent on the 1st June, coupled with the end of the financial year rapidly approaching, we encourage members to donate for the redevelopment of the Clubhouse.

As mentioned previously, all donations made via the Australian Sports Foundation (ASF) are fully tax-deductible. This provides a fast and secure process to make your contributions online.

The donation website for the ASF is:

<https://asf.org.au/projects/royal-prince-edward-yacht-club/>

Alternatively, a donation form can be downloaded via this [***Donation Form***](#) link and sent directly to the Club upon completion. Your donation will then be forwarded to the ASF. Please allow a few days for donations via the Club to be processed.

We look forward to receiving your support for the rejuvenation of our unique Clubhouse and its facilities.

Yours sincerely,

Caroline Ryrice Crane
