

## RPEYC Summer Sunday Series

First Race 31st January 2021

It's less than a month to go before the Club's Sunday racing starts up again. This is a wonderful opportunity for everyone, including younger family members, to be involved and get a bit of breeze across the deck. The harbour is sparkling and not too busy at this time of the year..... so let's enjoy it.

There are three races in the series:

31<sup>st</sup> January; 28<sup>th</sup> February; 28<sup>th</sup> March 2021.

Entry fee is \$60 for the series or \$25 / race. It's a great day, starting with bacon and egg rolls hot off the barbecue for the race briefing at 10:15 am with the first of the boats heading off at 11:30 am. It's a no-spinnaker series so only a headsail and mainsail to put away before settling in on the back lawn for a steak barbecue starting at 1:30 pm - \$20 / head. Race entry details and Sailing Instructions are on the RPEYC website:

<https://www.rpeyc.com.au/racing/>

You will need an AS Safety Equipment Audit certificate to enter the races. Call Richard Treweeke on 0448 063 535 to arrange an audit.

It's your Sunday series, and a great day all-round, so let's get the boats off the moorings and support the club.

Also, don't forget about our Women On Water race and BBQ on Sunday 28th November 2021.

We look forward to seeing everyone out there!

RPEYC Sailing Committee
